CITIZENS COMPANY RAISES PRICES AT MONONGAHELA

Down River Town will Now Have to Pay 15 Cents Net.

HAVE THE USUAL EXCUSE

Time, Investors Think, to Realize Something on Their Investment.

On account of what the directors of the Citizens Gas company of Monongahela please to term the increased cost of production of gas, the prices on gas in the city, along with that of other towns has been boosted. Monongahela has been paying a net price of 10 cents per thousand cubic feet, and rejoicing in the fact. The Citizens Gas company feel that they now have a right to raise the price, and make what they call some "profit" on their investment. The following self explanatory letter has been sent out to the various patrons of the company.

To our patrons in Monongahela:

For several years the Citizens Gas company of Monongahela have been furnishing gas at a net price of 10 cents per thousand feet, which has been from one-half to one-third the price charged by like companies in other localities. An effort has been made to demonstrate that gas could be furnished at this price, but, after several years' experience, and with the present increased price of materials and production and the fact that wells secured in the available locality are small, it has been found necessary to raise to a flat price of 15c, so that a small profit can be made. We hope that you will appreciate the reasonableness of this price and will continue a customer.

We must therefore notify you that on and after Decembr 1st, 1909, the price of gas furnished by this company through meters will be 20c per thousand feet, less a discount of 25 per cent. if payment is made on or before the 15th day of the month following that on which service is furnished.

Thanking you for your past patronage, we remain,

Yours truly,
CITIZENS GAS COMPANY.

AMATEURS WILL GET CHANCE TO PERFORM

Both the matinee and evening performance of the Manhattan Stock company at the Coyle Theatre yesterday were attended by large crowds. In the afternoon was presented the "Road to Ruin," and the evening performance was "Lost on the Pacific." These, with the specialties, made an admirable Thanksgiving entertainment. Both of these plays were of a nature calculated to bring out the best talents of the company, and with the large appreciative audiences, all were at their best.

Tonight will be presented "The Man From Sacramento." This is a thrilling melo-drama with a good vein of comedy running throughout the entire plot. Tonight is also amateur night, when any who desire to display his or her histrionic talents will be permitted to appear before the footlights. Cash prizes will be given.

Mrs. Joseph Lichter and children of Fallowfield avenue spent Thanksgiving in Pittsburg with friends.

Charleroi Girls Come in For Much Praise

Class From Here Takes Part in Turner Exercises at Monessen.

The girl's class of the Charleroi Turn Verein society, received praises galore for their work at Monessen last evening, at the dedication of the new Turner Hall at that place. The actives who took part in the gymnastic work where the recipients of tributes.

There were about 500 outsiders in Monessen for the occasion. The events of dedication started with a big parade over the principal streets, in which about 1,000 persons took part. The address of welcome was by Burgess Reamer and other addresses were made by prominent visitors and members.

TEA PARTY ENJOYABLE OCCASION

Many Out of Town People Here to Attend St. Jerome's Affair.

DANCING MUCH ENJOYED

The annual Tea Party of St. Jerome's congregation, held at the Turner Hall Thanksgiving evening, was one of the nicest and best attended affairs of the kind ever held in Charleroi. The supper and dancing were the principal features, although there were enough "side issues" to provide for the entertainment of every one.

Supper was served from 5:30 until about 9 o'clock and it is estimated that in the neighborhood of 360 persons were served. Dancing was from 8 until 1:30. For this feature alone there were many in attendance, large numbers coming from out of town. Jenkins orchestra furnished the music.

A popular feature was the orange tree, conducted by some of the ladies. There were surprises in plenty from this, the "oranges" being sold, the buyer only to discover that he was either rewarded or "done," much to the amusements of his friends. There were a number of other interesing contests. The committee in charge handled everything in the best manner, and all passed off smoothly.

Birthday Party.

Miss Laura Lysle the daughter of Mr. and Mrs. R. J. Lysle of 216 McKean avenue, was tendered her first birthday party by friends Wednesday evening in honor of her 12th birthday. The evening was most enjoyable spent by those present, the party numbering about 24 persons, games and music being the diversions. The special feature of the evening's entertainment was a dancing bear. Refreshments were served in two courses, the color scheme of pink and white being carried out. Little Laura received many nice and useful presents.

Mr. and Mrs. Harold McNaughton and children of Pittsburg are guests of Mrs. M. McNaughton of Washington avenue.

FOREIGN AGENT ALLEGED TO HAVE SOLD BEER ILLEGALLY

Held Under Bail at Preliminary Hearing to Await Action at the Grand Jury—Police Worked on Case.

On a charge of illegal selling and storing of liquor, Joe Petroski of Meadow avenue was held under $500 bail by Justice of the Peace Rice last evening. Information was made upon information received by County Detective McCleary.

The Charleroi police had worked up the evidence. They have been aware for some time that there has been irregularities in the sale and storing of liquor by the man, and it is undestood that he was warned by them to desist from the practice, but to no avail.

At the hearing evidence was brought out to the effect that the man had been illegally distributing and selling beer and whisky in this borough. One witness said he had taken a dolllar to the man's house and upon payment secured a keg of beer. A boy said that he was sent one time by his father and another man, and paying a dollar secured a case of beer. Others testified to the effect that they could secure beer whenever they wanted it on Sunday or any other day. It was also testified that beer was kept on tap in the man's cellar, and that he used this as a store house.

EXAMPLE OF DAILY WORK

School Children Furnish Interesting Entertainment at School.

The musical tableau, Wednesday evening at School Hall by the school children was surprisingly good and enough variety in entertainment was furnished in one evening to do most people for months. There was not as large a crowd present as the entertainment deserved but those in attendance were appreciative and the participants were made to feel that their efforts were not in vain. Prof. I. T. Daniels was the musical director and he as well as the people who took part deserve great credit. The program with the exception of the tableau was merely an example of what is being done day by day in the schools showing the high degree of efficiency that may be reached through daily effort.

The tableau were the main numbers on the program, there being four of these. It would be difficult to say which was the best on account of the variety of tastes but all were good.

The Charleroi Boy's Brigade took part in one, and made a striking picture.

The songs by the various grades were exceedingly good and the work of the first grade pupils under Prof. Daniels called forth much commendation. The High School Choral club furnished the highest class music of course, their principal number being "Miserere" from "Il Trovatore."

The solos, duets and recitations were above what might be considered that average, in true worth. The proceeds of the entertainment will go to the purchasing of school supplies, and the furtherance of school interests.

Mrs. Donna M. Day and Mr. and Mrs. C. E. Miller of Pittsburg were guests of Congressman and Mrs. J. K. Tener and Mr. and Mrs. A. W. Day over Thanksgiving.

OLD TIMERS WILL PLAY

California to be Scene of Great Battle Saturday Afternoon.

The California Normal 'varsity team has been putting in its hardest practice of the year in preparation for that alumni all star post-season game tomorrow when the eleven will clash with a selected team of former alumni stars, coached by former Coach Harris, now with Grove City college.

Among these will be found Hayes [illegible] with former W. and J. captains, who piloted some of the strongest teams ever turned out at Washington, Junk, the former State and University of Pennsylvania star, now a dignified M. D. of old "Fiat;" to say nothing of "Bull" McCleary. "Dad" Engel and Gray of the present State colllege unbeaten eleven; Cree, a fleet ex-Normal end better known by his baseball work at State, and more recent with the New York Americans baseball team, and many others of sterling ability.

A course dinner will be served in the dining hall of the Normal after the game.

Pleasant Social Event.

The Companions of the Forest of America held their regular meeting in the P. H. C. hall Tuesday evening. Circle Deputy, Lydia E. Reddick and her mother of 711 Fort Pitt circle of Pittsburg were present and an enjoyable evening was spent. Quite a number of members were present. The next meeting will be held December 28.

The store room of the Magic City Tea company in the Odd Fellows building, Fifth street, where several days ago occurred a fire, is being fixed up to be again occupied by the Tea company. William Moss is the proprietor and owner of the business.

Dr. and Mrs. J. K. Smith are spending the day in Pittsburg.

HOW LONE FREIGHT CAR MAY CAUSE SCORES TO BECOME BACKSLIDERS

No New Principal of Evolution to be Involved However, When Car Holds Back a Passenger Train.

While people living along the route of the Pittsburg Railways line, are clamoring for better service and making bitter complaints against the schedule put up by that company, the upriver people who do not live along the right of way of this trolley corporation are bitterly complaining because they do not have some of this alleged poor service. This complaint is caused by wrecks at inopportune times on the Redstone branch, and other places of the railroad which occasion much annoyance, and treminates in many good church members becoming backsliders.

Yesterday many persons were up the river to spend the day, expecting to return on the 5 o'clock train. This arrives in Charleroi, when it is on time, at near 6 o'clock. Yesterday just a short time before it was due in Brownsville there occurred one of the almost daily wrecks on the Redstone branch in the vicinity of Tippecanoe, and the unfortunate passenger train happened to get in right behind it. One freight car was thrown off the track it is understood, but on account of the holiday it was impossible to get a wrecking crew to the scene, and there that train laid for something near three hours, people on the valley, who were waiting for its arrival, momentarily losing their heads. Finally the 8 o'clok train come and relieved suspense. The 5 o'clock train pulled in several minutes later.

NEW CERTIFICATES MUST BE SECURED BY DECEMBER 31

Thanksgiving Quietly Observed in Charleroi

Many Out of Town to Spend Day With Friends and Relatives.

Thanksgiving was quietly observed in Charleroi. There was nothing special going on during the day time and many took the oppotunity of the holiday to go to Pittsburg and other places to attend a show or football game. The University Pittsburg-State football game drew many from this place, both teams having ardent supporters in Charleroi.

In the evening there was the union Thanksgiving service of the Protestant church and the Tea Party of St. Jerome's congregation, both drawing largely. Other social and church events in other towns drew crowds.

MANY ATTEND SERVICES ON THANKSGIVING

Rev. J. T. Hackett Preaches Interesting Sermon.

BAPTIST CHURCH CROWDED

Probably the most successful [illegible] in Charleroi by the Protestant churches was that of last night at the First Baptist church. The church was filled to overflowing, and the services were intensly interesting. The Thanksgiving theme was carried out in every appropriate manner in all forms of the exercises, both in the music and addresses.

A feature of the service was the reading of the first proclamation of Thanksgiving by George Washington, by Rev. C. E. Frontz. The proclamation of President Taft was read by Rev. A. M. Doak and that of Governor Stuart by Rev. J. E. Charles. The prayer was by Rev. G. G. Kerr, and Rev. T. J. Hackett preached the sermon. It was a truly Thanksgiving sermon, and the reasons why we should be thankful were vividly brought out.

An offering for the poor was taken, amounting to something over $23. William Gelder of the poor committee made a brief report of the work being done by the committee. The music was in charge of the Baptist choir under direction of D. C. Whitlatch. Some assistance was rendered by members of other choirs.

At the Coyle Next Monday.

A large crowd attended "Maloney's Wedding Day" at Selkirk's Opera House last night and laughed for two hours. Incidentally they saw something in the dancing line that has never before been equaled here. The attraction is a good one and the company is composed of capable people. Their singing and dancing alone was well worth the price of admission. They are certainly artists in their line and their work brought fourth round after round of applause.—Tribune, S. Haven, Mich.

All in Factories Here Must be Examined by School Superintendent

REPORT AT SCHOOL DEC. 4

Superintendent Makes Request to Those Who Must Take Examinations.

All children between the ages of fourteen and sixteen years, residents of Charleroi, who hold employment certificates, are requested to leave their certificates, together with a separate paper containing the following information at the office of Supt. James G. Pentz at Ninth street school building not later than Saturday, December4, 1909.

Name in full.
Parents' or guardian's name.
Charleroi address.
Date of birth.
Place of birth.
Name of school last attended.
Number of years spent in school.
Where now employed.

The new minor labor law specifies that the employment certificates now held by children between the ages of fourteen and sixteen years, will become null and void on December 31. The new form of certificate will be issued in their place during the month of December by the superintendent of the public schools.

All such children in order to receive the new form of certificates are required by law to pass an examination in reading and writing the English language. It is advisable therefore that all children now employed review these subjects, preparatory to taking the examination, the date of which will be announced later.

All children who do not hold the new form of employment certificate issued by Supt. Pentz will be discharged by their employers after January 1, 1910. Both these children together with their parents or guardins and employers should put forth every effort to see that the requests and directions of the superintendent of schools are strictly complied with as soon as possible after they are issued.

The work and time required to prepare and issue these certificates will be no small matter, especially since all the old certificates must be replaced by the new ones within the next three or four weeks. Those who do not attend to these matters as requested may lose their positions through not having a certifiate at the proper time.

All concerned are asked to bear in mind that the above information should be left at the superintendent of schools, office not later than December 4, 1909.

Card of Thanks.

I wish to extend my sincerest thanks pulicly to the many friends and neighbors, who so kindly and readily extended their sympathy and assistance during the illness and death of my husband. For the many favors thus shown by so many persons, I cannot feel other than grateful. 85tl Mrs. Emma Dawson.

Surprise Party.

William Hott was tendered a surprise party at his home on McKean avenue Wednesday by a number of his friends from Monessen and Charleroi. The evening was enjoyably spent with various social diversions. Lunch was served.

Where the Trouble Lies.

The attention of the Mail has been called to the big volume of trade that is said to be going out of town, to Pittburg, chiefly, and this paper is urged to impress upon its readers the importance of people here patronizing their home merchants and doing their trading so far as possible at home.

A casual investigation shows that many people who go to Pittsburg to trade claim they can't get what they want here—that the local merchants do not carry the grades and assortments desired. On the other hand, the merchants here say that while their stocks are not so large as some of the Pittsburg stores, they carry an assortment warranted by the demands, and that they can in most instances fill special orders more cheaply than people here can go to Pttsburg and buy them personally. They complain that the people do not take the trouble to look over their home stores first or find out whether they can get what they want here.

That being the case it is up to the merchants here to keep the people informed as to what they have and can do. It should be remembered that hundreds of Pittsburg papers circulate here and are read morning and evening in which the wares of the big department stores' together with their bargain sales, are alluringly and attractively displayed. This is the daily competition that the local merchants must combat, and with a fifty cent trolley fare and other attractions to take shoppers to the city, it is up to the home merchants to offset the effects of the advertisements in the Pittsburg papers that circulate daily in their own field.

One Precedent Gone.

In advancing the price of gas to consumers fifty per cent the Citizens Gas company of Monongahela no longer furnishes a precedent on which to base a kick. When the Greensboro Gas company raised the price here ten per cent., Monogahela's rate showed a most glaring discrepency between the charges made by the two companies. Now while the latter rate is still the lowest, it is quite evident that it will be only a question of time before both rates will be the same.

Competing concerns have learned their lesson well from the methods of the trusts, that it is more profitable to "get together" than to compete by cutting prices. A new company might give lower rates at first in order to get patronage, but as soon as it is established a combination of rates is inevitable. Conditions are as Henry Clewes, the eminent New-York financier, says—that prices in everything will continue to advance until the people as a whole begin to cease to consume.

ELECTRIC SPARKS

Many candidates for office do not think it necessary to announce their platform. Other think it necessary to announce a right-about-face platform every corner they turn. The latter sort has been prominent in this county.

If it were not for the Standard Oil company and a few other corporations of the same nature, the country could dispense with the Supreme Court.

Turkeys will be happy in their freedom from assassination, if some of these meat dealers cannot control the habit of raising the prices on them every year.

Over at Canonsburg they are getting a new station on the Pennsylvania lines about completed. Still Charleroi is waiting. A suggestion to the Charleroi Merchants Association—go after an appropriation.

Twenty-six football artists have lost their lives this season throughout the United States. Still there are enough tousled heads to provide some fatalities for next season.

It is not necessary for a man to be a college graduate to become a college trustee. But it is necessary for him to have the spondulicks.

When she says the clock's correct
She is neutral, we suspect.
When she says the clock is fast,
You are making time at last.
When she says the clock is slow,
You are done for, better go.—Washington Herald.

They talk about reforming football. Sure, but the old question repeated over again's, "Who's going to reform the reformers?"

King Victor of Italy is said to be writing a book on coins. And just think, King Victor's empire is about broke. At least some of his subjects are, and then some.

The most optimistic Thanksgiving praise noted thus far is the man who says he was thankful for everything.

MASSAGE HINTS

How to Secure the Best Results From this Most Difficult Art.

For every woman who understands the true principals of massage—its underlying secrets of proper manipulation—there are fifty who, less informed, either do their complexions little good or else actual harm. This is because the delicate skin tissue of the face, neck and shoulders may be easily ruined by rough and unscientific rubbing, or seemingly good effects may be secured by means that speedily react, leaving the skin in a worse condition than before the amateur massaging was undertaken.

Every woman who values her complexion should use Crown Cream for this work, because it is not only the best massage cream known, but it has marked beneficial qualities in itself. Its best effects can be secured, however, when used in connection with the Harlan Beauty Cup, which is an ingenious device for the securing of perfect massage by a mild vacum process. The combination never fails, because in addition to the refreshing, cleansing and healing action of the Crown Cream, the Beauty Cup acts directly upon the pores, pumping out their impurities, and also upon the cellular tissue and minute net work of blood vessels immediately beneath the skin. It quickly rounds out the cheeks, arms and neck by bringing fresh, healthful blood to the wasted places.

Crown Cream retails everywhere at 50c a jar, which is also the price of the Beauty Cup. They may be had from all dealers, or will be sent prepaid by the Harlan Mfg. Co., Toledo, O., on receipt of price.

DR. HAGERMAN AT SCHOOL HALL

The following is a testimonial of the ability of Dr. Edward T. Hagerman, lecturer, at the School Hall tonight on the Citizens Entertainment course.

"Dr. Hagerman has the ability to puncture humap foibles and the same time to suggest a better thing or purpose in so happy a combination that permanent benefit is sure to result. He is clear in voice and thought, sprightly in illustration, a splendid mimic, evidently well acquainted with human nature, a good story teller."

FARMERS' INSTITUTES TO BE HELD IN COUNTY

After the program was rendered a delightful lunch was served consisting of coffee, sandwiches and cake. This society meets the second and fourth Wednesday evening in each month in P. H. C. hall, and is composed of Catholic total abstainers. It numbers 150, composed principally of young men and women of St. Jerome's congregation. New members are initiated every meeting night.

This society was organized here February 16, 1906, with 25 members. The fees are trifling its object being to lead in the path of righteousness and from characters that will be a credit to the church and State.

FAINTS WHILE AT WORK; SOON DIES

Joseph Aiser, aged 41 years, 11 months and 14 days, after a few hours illness died last evening at 6 o'clock at his home, 816 Fallowfield avenue. He was a well known glass worker, being employed in the decorating department at the Macbeth-Evans plant. The deceased is survived by a wife. The funeral announcement will be made later.

Yesterday morning Aiser was apparently in the best of health. He went to the factory and was at work, when suddenly at about 9 o'clock, he dropped to the floor in a dead faint. He was carried home, and was in a dying condition from that time until 6 o'clock. Death was due to the bursting of a blood vessel in the head.

The deceased was a prominent member of the Charleroi Turn Verein singing section, and that body canceled an engagement on this account last night at the dedication of the new Monessen Turner Hall.

Davis.

Norman Davis, 25 years and 8 months old, one of the best known young colored men of Charleroi, died at the home of his father, James T. Davis, 1107 Meadow avenue, last night at 11:15 o'clock, after an extended illness of tuberculosis. The funeral will be held from the late home Saturday afternoon at 2 o'clock. Interment will be in the Charleroi cemetery. The deceased is survived by the father, three brothers, Dale, Roy and Wallace, and two sisters, Alvira and Viletta, all at home. For some time the deceased was employed as porter at the Wilbur Hotel here, leaving for Uniontown to take up employment at the McClelland House. He came home in June, and has hardly stepped from the house since.

Loder.

Mrs. Margaret Loder of Tarentum, the mother of Miss Olive Loder, of Charleroi, died this morning at 1:30 o'clock after a protracted illness. The funeral will be held from the late home at 2 o'clock Sunday afternoon, and interment will be in the Taretum cemetery. The millinery store of Foster and Loder will be closed in the meantime.

THE CHARLEROI MAIL

CITIZENS COMPANY RAISES PRICES AT MONONGAHELA

Down River Town will Now Have to Pay 15 Cents Net.

HAVE THE USUAL EXCUSE

Time Investors Think to Realize Something on Their Investment.

On account of what the directors of the Citizens Gas company of Monongahela please to term the increased cost of production of gas, the prices on gas in the city, along with that of other towns has been boosted. Monongahela has been paying a net price of 10 cents per thousand cubic feet, and rejoicing in the fact. The Citizens Gas company feel that they now have a right to raise the price, and make what they call some "profit" on their investment. The following self explanatory letter has been sent out to the various patrons of the company.

To our patrons in Monongahela:

For several years the Citizens Gas company of Monongahela have been furnishing gas at a net price of 10 cents per thousand feet, which has been from one-half to one-third the price charged by like companies in other localities. An effort has been made to demonstrate that gas could be furnished at this price, but, after several years' experience, and with the present increased price of materials and production and the fact that wells secured in the available locality are small, it has been found necessary to raise to a net price of 15c, so that a small profit can be made. We hope that you will appreciate the reasonableness of this price and will continue a customer.

We must therefore notify you that on and after Decembr 1st, 1909, the price of gas furnished by this company through meters will be 20c per thousand feet, less a discount of 25 per cent. if payment is made on or before the 15th day of the month following that on which service is furnished.

Thanking you for your past patronage, we remain,

Yours truly,
CITIZENS GAS COMPANY.

AMATEURS WILL GET CHANCE TO PERFORM

Both the matinee and evening performance of the Manhattan Stock company at the Coyle Theatre yesterday were attended by large crowds. In the afternoon was presented the "Road to Ruin," and the evening performance was "Lost on the Pacific." These, with the specialties, made an admirable Thanksgiving entertainment. Both of these plays were of a nature calculated to bring out the best talents of the company, and with the large appreciative audinces, all were at their best.

Tonight will be presented "The Man From Sacramento." This is a thrilling melo-drama with a good vein of comedy running throughout the entire plot. Tonight is also amateur night, when any who desire to display his or her histrionic talents will be permitted to appear before the footlights. Cash prizes will be given.

Mrs. Joseph Lichter and children of Fallowfield avenue spent Thanksgiving in Pittsburg with friends.

Charleroi Girls Come in For Much Praise

Class From Here Takes Part in Turner Exercises at Monessen.

The girl's class of the Charleroi Turn Verein society received praises galore for their work at Monessen last evening, at the dedication of the new Turner Hall at that place. The actives who took part in the gymnastic work where the recipients of tributes.

There were about 500 outsiders in Monessen for the occasion. The events of dedication started with a big parade over the principal streets, in which about 1,000 persons took part. The address of welcome was by Burgess Reamer and other addresses were made by prominent visitors and members.

TEA PARTY ENJOYABLE OCCASION

Many Out of Town People Here to Attend St. Jerome's Affair.

DANCING MUCH ENJOYED

The annual Tea Party of St. Jerome's congregation, held at the Turner Hall Thanksgiving evening, was one of the nicest and best attended affairs of the kind ever held in Charleroi. The supper and dancing were the principal features, although there were enough "side issues" to provide for the entertainment of every one.

Supper was served from 5:30 until about 9 o'clock and it is estimated that in the neighborhood of 360 persons were served. Dancing was from 8 until 1:30. For this feature alone there were many in attendance, large numbers coming from out of town. Jenkins orchestra furnished the music.

A popular feature was the orange tree, conducted by some of the ladies. There were surprises in plenty from this, the "oranges" being sold, the buyer only to discover that he was either rewarded or "done," much to the amusements of his friends. There were a number of other interesing contests. The committee in charge handled everything in the best manner, and all passed off smoothly.

Birthday Party.

Miss Laura Lysle the daughter of Mr. and Mrs. R. J. Lysle of 216 McKean avenue, was tendered her first birthday party by friends Wednesday evening in honor of her 12th birthday. The evening was most enjoyable spent by those present, the party numbering about 24 persons, games and music being the diversions. The special feature of the evening's entertainment was a dancing bear. Refreshments were served in two courses, the color scheme of pink and white being carried out. Little Laura received many nice and useful presents.

Mr. and Mrs. Harold McNaughton and children of Pittsburg are guests of Mrs. M. McNaughton of Washington avenue.

FOREIGN AGENT ALLEGED TO HAVE SOLD BEER ILLEGALLY

Held Under Bail at Preliminary Hearing to Await Action at the Grand Jury---Police Worked on Case.

On a charge of illegal selling and storing of liquor, Joe Petroski of Meadow avenue was held under $500 bail by Justice of the Peace Rice last evening. Information was made upon information received by County Detective McCleary.

The Charleroi police had worked up the evidence. They have been aware for some time that there has been irregularities in the sale and storing of liquor by the man, and it is undestood that he was warned by them to desist from the practice, but to no avail.

At the hearing evidence was brought out to the effect that the man had been illegally distributing and selling beer and whisky in this borough. One witness said he had taken a dolllar to the man's house and upon payment secured a keg of beer. A boy said that he was sent one time by his father and another man, and paying a dollar secured a case of beer. Others testified to the effect that they could secure beer whenever they wanted it on Sunday or any other day. It was also testified that beer was kept on tap in the man's cellar, and that he used this as a store house.

EXAMPLE OF DAILY WORK

School Children Furnish Interesting Entertainment at School.

The musical tableau, Wednesday evening at School Hall by the school children was surprisingly good and enough variety in entertainment was furnished in one evening to do most people for months. There was not as large a crowd present as the entertainment deserved but those in attendance were appreciative and the participants were made to feel that their efforts were not in vain. Prof. I. T. Daniels was the musical director and he as well as the people who took part deserve great credit. The program with the exception of the tableau was merely an example of what is being done day by day in the schools showing the high degree of efficiency that may be reached through daily effort.

The tableau were the main numbers on the program, there being four of these. It would be difficult to say which was the best on account of the variety of tastes but all were good.

The Charleroi Boy's Brigade took part in one, and made a striking picture.

The songs by the various grades were exceedingly good and the work of the first grade pupils under Prof. Daniels called forth much commendation. The High School Choral club furnished the highest class music of course, their principal number being "Miserere" from "Il Trovatore."

The solos, duets and recitations were above what might be considered that average, in true worth. The proceeds of the entertainment will go to the purchasing of school supplies, and the furtherance of school interests.

Mrs. Donna M. Day and Mr. and Mrs. C. E. Miller of Pittsburg were guests of Congressman and Mrs. J. K. Tener and Mr. and Mrs. A. W. Day over Thanksgiving.

OLD TIMERS WILL PLAY

California to be Scene of Great Battle Saturday Afternoon.

The California Normal 'varsity team has been putting in its hardest practice of the year in preparation for that alumni all star post-season game tomorrow when the eleven will clash with a selected team of former alumni stars, coached by former Coach Harmon, now with Grove City college.

Among these will be found Hayes and Gibson, both former W. and J. captains, who piloted some of the strongest teams ever turned out at Washington; Junk, the former State and University of Pennsylvania star, now a dignified M. D. of old "Flat;" to say nothing of "Bull" McCleary, "Dad" Engel and Gray of the present State college unbeaten eleven; Cree, a fleet ex-Normal end better known by his baseball work at State, and more recent with the New York Americans baseball team, and many others of sterling ability.

A course dinner will be served in the dining hall of the Normal after the game.

Pleasant Social Event.

The Companions of the Forest of America held their regular meeting in the P. H. C. hall Tuesday evening. Circle Deputy, Lydia E. Reddick and her mother of 711 Fort Pitt circle of Pittsburg were present and an enjoyable evening was spent. Quite a number of members were present. The next meeting will be held December 28.

The store room of the Magic City Tea company in the Odd Fellows building, Fifth street, where several days ago occurred a fire, is being fixed up to be again occupied by the Tea company. William Moss is the proprietor and owner of the business.

Dr. and Mrs. J. K. Smith are spending the day in Pittsburg.

NEW CERTIFICATES MUST BE SECURED BY DECEMBER 31

All in Factories Here Must be Examined by School Superintendent

REPORT AT SCHOOL DEC. 4

Superintendent Makes Request to Those Who Must Take Examinations.

All children between the ages of fourteen and sixteen years, residents of Charleroi, who hold employment certicfiates, are requested to leave their certificates, together with a separate paper containing the following information at the office of Supt. James G. Pentz at Ninth street school building not later than Saturday, December 4, 1909.

Name in full.
Parents' or guardian's name.
Charleroi address.
Date of birth.
Place of birth.
Name of school last attended.
Number of years spent in school.
Where now employed.

The new minor labor law specifies that the employment certificates now held by children between the ages of fourteen and sixteen years will become null and void on December 31. The new form of certificate will be issued in their place during the month of December by the superintendent of the public schools.

All such children in order to receive the new form of certificates are required by law to pass an examination in reading and writing the English language. It is advisable therefore that all children now employed should review these subjects preparatory to taking the examination, the date of which will be announced later.

All children who do not hold the new form of employment certificate issued by Supt. Pentz will be discharged by their employers after January 1, 1910. Both these children together with their parents or guardins and employers should put forth every effort to see that the requests and directions of the superintendent of schools are strictly compiled with as soon as possible after they are issued.

The work and time required to prepare and issue these certificates will be no small matter, especially since all the old certificates must be replaced by the new ones within the next three or four weeks. Those who do not attend to these matters as requested may lose their positions through not having a certifiate at the proper time.

All concerned are asked to bear in mind that the above information should be left at the superintendent of schools, office not later than December 4, 1909.

Card of Thanks.

I wish to extend my sincerest thanks pulicly to the many friends and neighbors, who so kindly and readily extended their sympathy and assistance during the illness and death of my husband. For the many favors thus shown by so many persons, I cannot feel other than grateful.

85t1 Mrs. Emma Dawson.

Surprise Party.

William Hott was tendered a surprise party at his home on McKean avenue Wednesday by a number of his friends from Monessen and Charleroi. The evening was enjoyably spent with various social diversions. Lunch was served.

Thanksgiving Quietly Observed in Charleroi

Many Out of Town to Spend Day With Friends and Relatives.

Thanksgiving was quietly observed in Charleroi. There was nothing special going on during the day time and many took the oppotunity of the holiday to go to Pittsburg and other places to attend a show or football game. The University Pittsburg-State football game drew many from this place, both teams having ardent supporters in Charleroi.

In the evening there was the union Thanksgiving service of the Protestant church and the Tea Party of St. Jerome's congregation, both drawing largely. Other social and church events in other towns drew crowds.

MANY ATTEND SERVICES ON THANKSGIVING

Rev. J. T. Hackett Preaches Interesting Sermon.

BAPTIST CHURCH CROWDED

Probably the most successful Thanksgiving Union service ever held in Charleroi by the Protestant churches was that of last night at the First Baptist church. The church was filled to overflowing, and the services were intensly interesting. The Thanksgiving theme was carried out in every appropriate manner in all forms of the exercises, both in the music and addresses.

A feature of the service was the reading of the first proclamation of Thanksgiving by George Washington, by Rev. C. E. Frontz. The proclamation of President Taft was read by Rev. A. M. Doak and that of Governor Stuart by Rev. J. E. Charles. The prayer was by Rev. G. G. Kerr, and Rev. T. J. Hackett preached the sermon. It was a truly Thanksgiving sermon, and the reasons why we should be thankful were vividly brought out.

An offering for the poor was taken, amounting to something over $23. William Gelder of the poor committee made a brief report of the work being done by the committee. The music was in charge of the Baptist choir under direction of D. C. Whitlatch. Some assistance was rendered by members of other choirs.

At the Coyle Next Monday.

A large crowd attended "Maloney's Wedding Day" at Selkirk's Opera House last night and laughed for two hours. Incidentally they saw something in the dancing line that has never before been equaled here. The attraction is a good one and the company is composed of capable people. Their singing and dancing alone was well worth the price of admission. They are certainly artists in their line and their work brought fourth round after round of applause.—Tribune, S. Haven, Mich.

HOW LONE FREIGHT CAR MAY CAUSE SCORES TO BECOME BACKSLIDERS

No New Principal of Evolution to be Involved However, When Car Holds Back a Passenger Train.

While people living along the route of the Pittsburg Railways line, are clamoring for better service and making bitter complaints against the schedule put up by that company, the upriver people who do not live along the right of way of this trolley corporation are bitterly complaining because they do not have some of this alleged poor service. This complaint is caused by wrecks at intervening times on the Redstone branch, and other places of the railroad which occasion much annoyance, and treminates in many good church members becoming backsliders.

Yesterday many persons were up the river to spend the day, expecting to return on the 5 o'clock train. This arrives in Charleroi, when it is on time, at near 6 o'clock. Yesterday just a short time before it was due in Brownsville there occurred one of the almost daily wrecks on the Redstone branch in the vicinity of Tippecanoe, and the unfortunate passenger train happened to get in right behind it. One freight car was thrown off the track it is understood, but on account of the holiday it was impossible to get a wrecking crew to the scene, and there that train laid for something near three hours, people on the valley, who were waiting for its arrival, momentarily losing their heads. Finally the 8 o'clok train come and relieved suspense. The 5 o'clock train pulled in several minutes later.

Where the Trouble Lies.

The attention of the Mail has been called to the big volume of trade that is said to be going out of town, to Pittburg, chiefly, and this paper is urged to impress upon its readers the importance of people here patronizing their home merchants and doing their trading so far as possible at home.

A casual investigation shows that many people who go to Pittsburg to trade claim they can't get what they want here—that the local merchants do not carry the grades and assortments desired. On the other hand, the merchants here say that while their stocks are not so large as some of the Pittsburg stores, they carry an assortment warranted by the demands, and that they can in most instances fill special orders more cheaply than people here can go to Pittsburg and buy them personally. They complain that the people do not take the trouble to look over their home stores first or find out whether they can get what they want here.

That being the case it is up to the merchants here to keep the people informed as to what they have and can do. It should be remembered that hundreds of Pittsburg papers circulate here and are read morning and evening in which the wares of the big department stores' together with their bargain sales, are alluringly and attractively displayed. This is the daily competition that the local merchants must combat, and with a fifty cent trolley fare and other attractions to take shoppers to the city, it is up to the home merchants to offset the effects of the advertisements in the Pittsburg papers that circulate daily in their own field.

One Precedent Gone.

In advancing the price of gas to consumers fifty per cent the Citizens Gas company of Monongahela no longer furnishes a precedent on which to base a kick. When the Greensboro Gas company raised the price here ten per cent., Monogahela's rate showed a most glaring discrepency between the charges made by the two companies. Now while the latter rate is still the lowest, it is quite evident that it will be only a question of time before both rates will be the same.

Competing concerns have learned their lesson well from the methods of the trusts, that it is more profitable to "get together" than to compete by cutting prices. A new company might give lower rates at first in order to get patronage, but as soon as it is established [illegible] rates is inevitable. Conditions are as Henry Clewes, the eminent New York financier, says—that prices in everything will continue to advance until the people as a whole begin to cease to consume.

ELECTRIC SPARKS

Many candidates for office do not think it necessary to announce their platform. Other think it necessary to announce a right-about-face platform every corner they turn. The latter sort has been prominent in this county.

If it were not for the Standard Oil company and a few other corporations of the same nature, the country could dispense with the Supreme Court.

Turkeys will be happy in their freedom from assassination, if some of these meat dealers cannot control the habit of raising the prices on them every year.

Over at Canonsburg they are getting a new station on the Pennsylvania lines about completed. Still Charleroi is waiting. A suggestion to the Charleroi Merchants Association—go after an appropriation.

Twenty-six football artists have lost their lives this season throughout the United States. Still there are enough tousled heads to provide some fatalities for next season.

When she says the clock is slow,
You are done for, better go.—Washington Herald.

They talk about reforming football. Sure, but the old question repeated over again's, "Who's going to reform the reformers?"

King Victor of Italy is said to be writing a book on coins. And just think, King Victor's empire is about broke. At least some of his subjects are, and then some.

The most optimistic Thanksgiving praise noted thus far is the man who says he was thankful for everything.

MASSAGE HINTS

How to Secure the Best Results From this Most Difficult Art.

For every woman who understands the true principals of massage—its underlying secrets of proper manipulation—there are fifty who, less informed, either do their complexions little good or else actual harm. This is because the delicate skin tissue of the face, neck and shoulders may be easily ruined by rough and unscientific rubbing, or seemingly good effects may be secured by means that speedily react, leaving the skin in a worse condition than before the amateur massaging was undertaken.

Every woman who values her complexion should use Crown Cream for this work, because it is not only the best massage cream known, but it has marked beneficial qualities in itself. Its best effects can be secured, however, when used in connection with the Harlan Beauty Cup, which is an ingenious device for the securing of perfect massage by a mild vacum process. The combination never fails, because in addition to the refreshing, cleansing and healing action of the Crown Cream, the Beauty Cup acts directly upon the pores, pumping out their impurities, and also upon the cellular tissue and minute net work of blood vessels immediately beneath the skin. It quickly rounds out the cheeks, arms and neck by bringing fresh, healthful blood to the wasted places.

Crown Cream retails everywhere at 50c a jar, which is also the price of the Beauty Cup. They may be had from all dealers, or will be sent prepaid by the Harlan Mfg. Co., Toledo, O., on receipt of price.

Proposals for Filing Approaches to Bridge.

Proposals will be received by the County Controller until Monday, November 29th, 1909, at 1 o'clock p. m. for the filling of two approaches to the Maple Creek bridge near Charleroi, requiring 1,000 cubic yards of earth or rock more or less.

The right is reserved to reject any or all bids.

JOHN H. MOFFITT,
County Controller.

DR. HAGERMAN AT SCHOOL HALL

The following is a testimonial of the ability of Dr. Edward T. Hagerman, lecturer, at the School Hall tonight on the Citizens Entertainment course.

"Dr. Hagerman has the ability to puncture humap foibles and the same time to suggest a better thing or purpose in so happy a combination that permanent benefit is sure to result. He is clear in voice and thought, sprightly in illustration, a splendid mimic, evidently well acquainted with human nature, a good story teller."

FARMERS' INSTITUTES TO BE HELD IN COUNTY

A series of farmers' institutes under the auspices of the State Department of Agriculture will be held in Washington county next month. The intinnerary is as follows:

At Scenery Hill Friday and Saturday, December 10 and 11.

Vocal solo, Thos. Halliman. Miss [illegible]

Vocal solo, Samuel Wheeler, Robert Callahan, accompanist.

After the program was rendered a delightful lunch was served consisting of coffee, sandwiches and cake. This society meets the second and fourth Wednesday evening in each month in P. H. C. hall, and is composed of Catholic total abstainers. It numbers 150, composed principally of young men and women of St. Jerome's congregation. New members are initiated every meeting night.

This society was organized here February 16, 1906, with 25 members. The fees are trifling its object being to lead in the path of righteousness and from characters that will be a credit to the church and State.

FAINTS WHILE AT WORK; SOON DIES

Joseph Aiser, aged 41 years, 11 months and 14 days, after a few hours illness died last evening at 6 o'clock at his home, 816 Fallowfield avenue. He was a well known glass worker, being employed in the decorating department at the Macbeth-Evans plant. The deceased is survived by a wife. The funeral announcement will be made later.

Yesterday morning Aiser was apparently in the best of health. He went to the factory and was at work, when suddenly at about 9 o'clock, he dropped to the floor in a dead faint. He was carried home, and was in a dying condition from that time until 6 o'clock. Death was due to the bursting of a blood vessel in the head.

The deceased was a prominent member of the Charleroi Turn Verein singing section, and that body canceled an engagement on this account last night at the dedication of the new Monessen Turner Hall.

Davis.

Norman Davis, 25 years and 8 months old, one of the best known young colored men of Charleroi, died at the home of his father, James T. Davis, 1107 Meadow avenue, last night at 11:15 o'clock, after an extended illness of tuberculosis. The funeral will be held from the late home Saturday afternoon at 2 o'clock. Interment will be in the Charleroi cemetery. The deceased is survived by the father, three brothers, Dale, Roy and Wallace, and two sisters, Alvira and Viletta, all at home. For some time the deceased was employed as porter at the Wilbur Hotel here, leaving for Uniontown to take up employment at the McClelland House. He came home in June, and has hardly stepped from the house since.

Loder.

Mrs. Margaret Loder of Tarentum, the mother of Miss Olive Loder, of Charleroi, died this morning at 1:30 o'clock after a protracted illness. The funeral will be held from the late home at 2 o'clock Sunday afternoon, and interment will be in the Taretum cemetery. The millinery store of Foster and Loder will be closed in the meantime.

Ladies' and Misses'

COATS, SUITS AND DRESSES

We desire to call your attention to the fact that we are getting in new winter garments every day. Have just received a large shipment of suits in blue and black —the shades which have been so popular this season. They come in a variety of weaves and range in price from $18 to $40. They are right up to the minute---snappy, stylish, satisfying suits which you will be proud to wear.

35—Special Price Suits—35

We announce that we have thirty-five suits [some of the earlier arrivals] which have not moved as quickly as we would have liked, and we have cut the prices tremendously. They are splendid, beautiful suits in brown, blue, tan, green, grey, shepherd plaids and blacks, running in all sizes from 12 for the misses to 42 for the ladies, and although we have slashed the prices without mercy we make alterations free of charge. We guarantee a perfect fit. It is hardly necessary to add—Our reputation for fair dealing is a safeguard for you in making your purchases through the medium of our store—We invite your inspection of these suits.

Red Cross Shoe

The Red Cross Tanning Process

The ordinary sole is tanned in six weeks; a sole used to hurry the spring patch and burn the leather; that is why ordinary shoes feel hot and heavy, why they draw your feet. The Red Cross sole is tanned by a special process that takes six months—you can bend it double when new.

Look for this Trade Mark

You will like the very latest tips, and the rich tones of the still shorter effects, the new feet taste of each Red Cross shoe leather. The perfect short appearance the Red Cross process, the extremely strikingly attractive they give your foot, make them attractive.

Come in and get style and comfort, get both. You may select any style you wish and wear it in perfect comfort. Tanned by the special Red Cross process, the Red Cross shoe bends with your foot. It is this that makes it so easy to walk in. Our customers always say **"How I wish I had tried this shoe before".**
